

**Reference Letter for Ms. Genalyn Corpuz Feliciano
(Passport No. P3004229B)**

To Whom It May Concern,

This is to confirm that Ms. Genalyn Corpuz Feliciano has been employed by our family in Singapore as a household service worker from December 2021 to December 2025.

Over these four years, Genalyn has been a reliable, trustworthy, and caring member of our household. She joined us when our daughter was just one year old and has been with her through her early growing years until age five. She has shown kindness, patience, and responsibility in caring for our child and has always handled her with warmth and attentiveness.

Genalyn is also a capable and efficient helper who manages most household chores independently, including cleaning, laundry, and daily meal preparation. She cooks tasty and well-balanced meals and maintains a high standard of cleanliness and organization at home.

We are grateful for her contribution and support to our family over the years and would be pleased to recommend her to any future employer seeking a dependable, experienced, and caring household helper.

We wish her continued success and all the best in her future endeavours.

Warm regards,

Nihar Ranjan Prasad & Sonali Gohil
